Proof of Vaccination Required in Select Settings

The provincial government will require people to be fully vaccinated and provide proof of their vaccination status to access certain businesses and settings starting September 22, 2021. Individuals who cannot receive the vaccine due to medical exemptions will be permitted entry with a doctor's note until recognized medical exemptions can be integrated as part of a digital vaccine certificate. Children who are 11 years of age and younger and unable to be vaccinated will also be exempted from these requirements. For more information refer to the provincial news release and frequently asked questions.

Get Your COVID-19 Vaccination Receipt

As of September 22, proof of full vaccination will be required to attend some settings. You can download or print your records from <u>covid19.ontariohealth.ca</u>. You will need your green health card and postal code. If you have a red and white health card or no health card, call 1-833-943-3900.

Workplace Vaccination Policy

WDGPH is strongly recommending local employers institute a workplace vaccination policy to protect their employees and the public from COVID-19. <u>Visit our website</u> for information on establishing a vaccination policy for your workplace and <u>read WDGPH's letter to employers</u>.

Announcements and Changes to Services

- On September 1, the <u>Government of Ontario</u> announced renewal requirements for driver's licences, licence plate stickers, Ontario Photo Cards, Ontario health cards, and other products that would have expired on or after March 1, 2020 have been reinstated.
- On August 28, <u>Transport Canada</u> announced a suspension of all direct commercial and private passenger flights from Morocco until September 29, 2021 due to an increase in COVID-19 positive test results in travellers from that area.
