COVID-19 Vaccine Certificate with QR Code and Verify Ontario App

Ontario has updated <u>regulations</u> and <u>guidance</u>, and <u>Questions and Answers</u> for businesses to support the implementation of the enhanced vaccine certificate with a QR code and the Verify Ontario app. Individuals can download their enhanced vaccine certificates from the <u>COVID-19</u> <u>vaccination portal</u>. Businesses and organizations can <u>download the Verify Ontario app from the Apple or Google Play stores</u>. For more information on the certificate or the app read the <u>provincial media release</u>.

CCOHS Safe Work App

The Canadian Centre for Occupational Health and Safety (CCOHS) has launched the <u>CCOHS</u> <u>Safe Work app</u> which hosts a collection of over 120 COVID-19 resources, including industry and sector-specific tip sheets, infographics, videos, and other guidance materials. Once downloaded, an internet connection is not needed to run the app so it can be used in remote areas and on manufacturing shop floors.

Announcements and Changes to Services

- On October 21, <u>the Prime Minister, Justin Trudeau</u> announced that the enhanced vaccine certificate with QR code (already available in Ontario) will be available in all other provinces soon.
