- <u>COVID-19 Case and High-Risk Contact (HRC) Letter</u> Universal letter outlining all COVID-19 guidance used for positive cases and high-risk contacts.
- <u>Guidance Flow Chart for Isolation Requirements</u> Flow chart resource outlining guidance on isolation and testing requirements for positive cases, high risk contacts, and household members.

### Instructions from the Medical Officer of Health to Employers

Dr. Nicola Mercer, Medical Officer of Health and CEO of Wellington-Dufferin-Guelph Public Health has issued a <u>letter of instruction to persons responsible for a business or organization</u> requiring remote work for workers where reasonably possible effective Monday, December 20 until further notice. Please see the full <u>Letter of Instruction</u> for detailed definitions and instructions.

An <u>open letter from Dr. Matthew Tenenbaum</u>, <u>Associate Medical Officer of Health</u> was issued to employers prior to this letter of instruction emphasizing the importance of the measures employers are responsible for along with other important measures to reduce COVID-19 risks in the workplace. Please note that some of the recommendations in the Open Letter have become requirements under the Letter of Instruction.

### **COVID-19 Vaccine Booster Doses**

This week the <u>provincial government announced</u> that individuals aged 50 and over are eligible to schedule their booster dose appointments three months (84 days) after their second dose. Please note that this interval of time after the second dose was reduced.

Starting Monday, December 20, 2021, individuals aged 18 and over will be eligible to schedule their booster dose appointment three months (84 days) after a second dose. Details about booster doses in Wellington, Dufferin and Guelph are available at: <a href="wdgpublichealth.ca\booster-dose">wdgpublichealth.ca\booster-dose</a>.

# **Capacity Limits in Certain Venues**

Effective December 18, Ontario intends to apply a 50 per cent capacity limit to certain indoor areas of venues with a usual capacity of 1,000 or more such as sports and entertainment facilities. For more information read the <u>provincial media release</u>.
