

E-Mail of April 13, 2017 from Randy Pettapiece, MPP, Perth-Wellington to the Honourable Eric Hoskins, Minister, Ministry of Health and Long-Term Care

Hon. Eric Hoskins, MPP
Minister of Health and Long-Term Care

Dear Minister:

Attached is a letter you should have received from Nancy Sullivan, Board of Health Chair for Wellington-Dufferin-Guelph Public Health (WDGHU).

Ms. Sullivan's letter is detailed and self-explanatory. WDGHU has applied for a one-time grant to implement a sustainable data warehouse and other necessary infrastructure upgrades. As Ms. Sullivan points out, WDGHU serves a unique population, including many rural constituents and many Low German-speaking Mennonites.

Will you support their request? I would appreciate if you would respond directly to Ms. Sullivan, addressing all of the important issues she raises. Please send me a copy of your response.

Thank you for your attention to this matter.
