Summary of OPHS Program Requirement(s):

OPHS Program:	Safe Water	
Goal:	To prevent or reduce the burden of water-borne illness and injury related to recreational water use.	
Strategy:	Disease Prevention	
	Health Protection	
Requirement(s):	<i>The board of health shall report Safe Water Program data elements in accordance with the Recreational Water Protocol, 2008 (or as current). Inspect regulated public pools, (Class A and B), and public spas that are open year-round no less than once every three months while operating. Inspect seasonal regulated public pools, (Class A and B), and public spas that are open only part of the year at least two times per year.</i>	
Accountability Indicator(s):	<i>Public Pools (Class A) and public spas are accountability agreement indicators as defined by the MOHLTC. The MOHLTC has requested that we achieve a 100% completion rate for 2016.</i>	
Has a performance variance or discrepancy been identified?	Yes <input checked="" type="checkbox"/>	No <input type="checkbox"/>

Class B year-round pools: One Q3 inspection was not carried out, this will be addressed by conducting 2 inspections in Q4.

Class B seasonal pools: One Q3 inspection was not carried out, however this was done two times in Q2 to account for early closing.

Highlights:

Due to the renovation of the Victoria Road Recreational Centre the number of year-round Class A public pools is reduced from 13 to 11 in Q2.
