The Hon. Christine Elliott  
Minister of Health and Long-Term Care

Dear Minister,

Please find attached a copy of a letter you may have already received from Ms. Nancy Sullivan, Chair, Wellington-Dufferin-Guelph Public Health (WDGPH) Board of Health, in regard to cannabis-related programming and enforcement.

Ms. Sullivan has outlined WDGPH's support for dedicated funding for local public health agencies to implement effective data collection and programs to help prevent and reduce cannabis-related harms in our communities.

I would appreciate your review of the WDGPH Board of Health's recommendations. Please respond directly to Ms. Sullivan and send a copy of your reply to our Wellington-Halton Hills Provincial Riding Office.

Thank you for your consideration.

Sincerely
