Dear Dr. Mercer:

Re: Rabies in Dufferin County

At the regular meeting of Council held November 15, 2017, Council requested that a letter be sent to the Wellington-Dufferin-Guelph Public Health Unit, the Ministry of Natural Resources and Forestry and the County of Dufferin regarding rabies in the area. Council of the Township of Amaranth encourages the Wellington-Dufferin-Guelph Public Health Unit to take a leadership role in preventing the spread of rabies by offering low cost rabies clinics within Dufferin County, as vaccination against rabies can be cost-prohibitive for some pet owners.

Should you require anything further, please do not hesitate to contact this office.

Yours truly,

Karen Caswell
Acting CAO
