

RABIES CLINIC \$59

May 31 and June 1 2025 10AM-3PM

+ Microchip
for \$60

Rabies is deadly—but 100% preventable.

Protect your pet, your family, and your community with a quick and affordable vaccine.

Rabies is transmitted by wildlife like bats, raccoons, and skunks.

Pets are at risk even if they stay indoors—accidents happen.

Vaccinating is a simple step for long-term peace of mind.
