

You have symptoms and are concerned you may have COVID-19. Now what?

Note: Symptoms should not be related to any other known causes or conditions.

**For 10 days after symptom onset (or 20 days for immunocompromised individuals): maintain masking in public setting (including schools and childcare, unless under 2 years of age), do not visit or work in any highest risk setting, do not visit vulnerable individuals (e.g. immunocompromised individuals or seniors).
