---

Wellington-Dufferin-Guelph Public Health's telecommunications systems are currently impacted by an outage on the Rogers Network.

For the duration of this outage, please report any diseases of public health significance ('reportable diseases') by phone to:

**519-822-2715 ext. 4752**

Please **do not** make reports through our '1-800' phone number or through our fax line, as they cannot be responded to at this time.

**For more information, please contact:**
