

SCHOOL BASED VACCINE ORDER FORM

FAX TO: 519-823-4903

1-800-265-7293

Vaccine Order Inquiries Ext. 4003

General Immunization Information Ext. 4744

Public Health offers Hepatitis B, Menactra and HPV vaccinations in the school setting. Due to COVID-19 and the related closure of Ontario schools, Public Health can release vaccine inventory to primary care providers over the summer months (July-August) to help complete these immunizations. Please ensure appropriate eligibility and dosage schedule.

Please fax this completed form to 519-823-4903 when additional stock is required.

Office Name:	_____
