

SCHOOL BASED VACCINE ORDER FORM

FAX TO: 519-823-4903

1-800-265-7293

Vaccine Order Inquiries Ext. 4003

Student Immunization Information Ext. 4746

Public Health offers Hepatitis B, Human Papillomavirus and Meningococcal immunizations in the school setting. Due to the ongoing COVID-19 pandemic response, Public Health can release vaccine inventory to primary care providers to help support the expanded grade 7 immunization program. Please ensure appropriate eligibility and dosage schedule.

Please fax this completed form to 519-823-4903 when additional stock is required.
